Technical drawing of a mechanical part, likely a camera lens or sensor assembly, showing dimensions in millimeters. The drawing includes a side view and a top view. The side view shows a cylindrical body with a diameter of $\phi 78.8$ mm. The top view shows a rectangular base with a width of 200 mm and a length of 192.57 mm. The drawing also shows a cross-section of the cylindrical body with a diameter of $\phi 99$ mm. The drawing includes a detail view of the sensor area, showing a 2/3" CCD sensor with a diameter of $\phi 38$ mm. The drawing also shows a detail view of the lens assembly, showing a lens with a diameter of $\phi 58$ mm and a focal length of 105.7 mm.
